We hope you enjoy our Easter Egg Hunt and visiting the many different businesses in Kildgrove and Butt Lane. There is no obligation to buy anything when you pick up your sticker but we hope that you will continue to support your local businesses during the rest of the year. Remember, for every £1 you spend with a local, independent business, between 50p-70p circulates back into your local economy!

Please stay safe doing the Easter Egg Hunt. Children must be accompanied by a responsible adult. Take care when crossing busy roads and always use designated crossing points where available.
